

GERARD MCDONNELL MEMORIAL AWARD

Administered by the Irish Club of Alaska

Gerard McDonnell (1971-2008) was a beloved member of the Alaska Irish Music Community. Gerard's musical abilities were well respected in the community.

He encouraged young people to participate in Irish music, dance and promoting those arts in Alaska. Gerard was born in Ireland but considered Alaska his home away from home. The Irish Club of Alaska feels it appropriate to present the award each year to a young individual selected from the nominations sent to the Board of Directors of the Irish Club of Alaska. The award trophy and plaque were personally presented to the Irish Club by Gerard's family from Ireland.
